5 TO FOLLOW

5 TO FOLLOW

We run a fun 5 to follow competition to raise money for The Injured Jockeys Fund and to include everyone in the fun of following the horses in the yard. All you have to do is select 5 horses to earn you points by winning and being placed in races from the start of the National Hunt season 'Proper' through to the end of the 2025/26 season.

It is £10 per entry, of which £5 goes straight to The Injured Jockeys Fund.

You will receive monthly updates on how your entry is getting on and all the news from the yard!

It is only a bit of fun, however the first three receive a share of the prize!
Last year the winner received £250!

Advice for selections

- ⇒ Avoid young horses who will only be likely to run in Bumpers, they are unlikely to run much or pick up too many points!
- ⇒ Look for the higher grade horses who will run in the better races as they are worth more points!
- ⇒ Handicappers who run regularly can pick up points all season, a good novice can also pick up points throughout the season.

The Top 5 Scoring horses from last season:

Golden Ace	117.5
Joe Cotton	44
Elusiveness	30
King Of The Lake	30
Native Moon	24.5

GOOD LUCK!!!
